Financial Assistance

No patient will be declined services simply because of an inability to pay for services. Evergreen Health has a Financial Counseling Team dedicated to assisting patients with obtaining insurance coverage for their services.

We offer discounts through our sliding fee scale. Eligibility for a discount is based on the Federal Poverty Guidelines and a patient's household income/family size. Our Financial Counseling Team can help patients determine whether they qualify for a discount, and the sliding fee scale is available to patients upon request.

The Financial Counseling Team can be reached at **716-847-2441** option 7.

Billing/Patient Accounts

Payments can be made online through our patient portal or by calling the Financial Counseling Team. If you are not enrolled in our patient portal, speak to the front desk or a medical case manager at your next appointment.

Payment methods accepted: Cash, Credit/Debit Card, Check, and Money Order. Checks/Money Orders can be made payable to EHS Inc. We offer payment plans to make your care affordable.
